

Fun With Brady

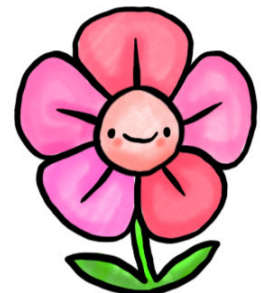

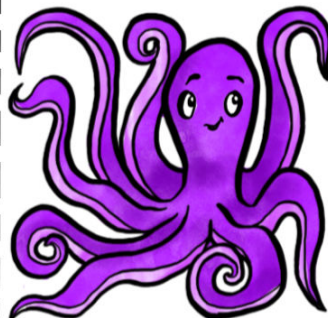

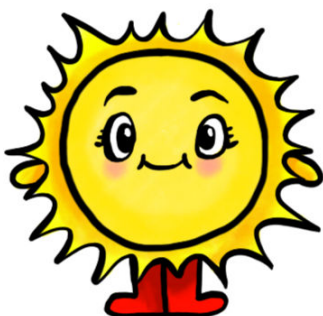

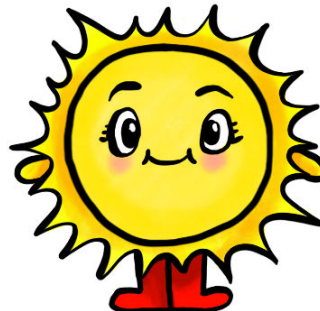

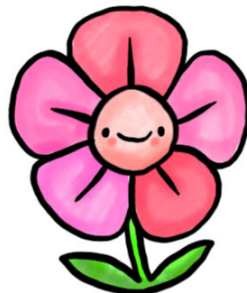

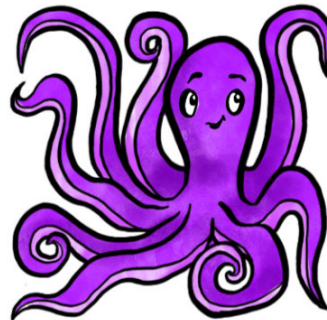

Puzzles created by a
student like you!

Memory Game

1. Cut out the pieces, then flip them over face down.
2. Lay them out in rows.
3. Turn 2 cards over and if they match, keep them, if they don't flip them over and try again.
4. The game is over when each pair has been matched.

Cut the pieces

Print and Play

Can you name the things that live in the sea? Hint: There are 3 sea creatures.
